RAD CAMPZ 2ND & 3RD GRADES

Summer discovery awaits students entering 2nd or 3rd grade in the fall. Students enjoy two field trips each week that take campers off campus (one for learning and one just for fun). The weekly schedule also includes a special, on-site presentation that will keep campers busy and engaged with awesome, theme-related experiments and activities. There will be plenty of time in the Art, S.T.E.M., and Computer Labs, and every Friday campers indulge in water adventures, either at a local beach or on our 27" high giant "Hurricane" water slide.

Weekly rate: \$420 for International Students
(\$380 when pre-paid by April 30, 2019)

RadCampz weeks wrap-up every Friday with either a beach trip, or a "Splash Day" on our own 27' high Hurricane Water Slide.

"SUPER S.T.E.A.M. ADVENTURES"

● Week 1: July 8 to July 12

During "Super STEAM" Week, campers will explore engineering, simple circuitry, and a variety of science crafts in our Computer Lab, and STEM Lab / Makers Space.

"WET N' WILD"

● Week 2: July 15 to July 19

"Wet 'n Wild" Week will be filled with water sports adventures and marine biology exploration. We'll also splash around with water safety skills and delve into the ocean ecosystem from the puny plankton to tiny sea star to humongous blue whale.

Likely field trips include the beach, Alga Norte Swim Center, Stephen Birch Aquarium, and SeaWorld.

"FANTASTIC FANTASY & FICTIONAL CHARACTERS"

● Week 3: July 22 to July 26

"CLEVER CARNIVORES"

● Week 4: July 29 to August 2

"Clever Carnivores" Week will get campers up close and personal with ferocious felines, boisterous bears, cagy canines, dinosaurs, and other fearsome meat-eaters that sport night vision, sharp teeth, powerful jaws, amazing leaping abilities, and stealthy stalking behaviors.

Field trips are planned to the Safari Park and The Wave Water Park.

ODYSSEY CAMPZ

SUMMER ADVENTURE

ODYSSEY CAMPZ

4TH, 5TH, 6TH & 7TH GRADES

Let's face it, what's the point of summer anyways? School's out, and kids want to have the time of their lives, right? Odyssey Campz has discovered a winning formula that will take campers to a new level of fun and engagement this summer!

The formula is simple:

Excited Campers + Choosing Their Own Adventures
= Summertime FUN

Weekly rate: \$450 for International Students

CHOICES GET EVERYONE ENGAGED

Yes, we've decided to continue letting campers choose their own adventures each week during Odyssey Campz! Why? Because over the years we've learned that participation in the planning process gets everyone engaged in the action.

AQUATIC & LAND-BASED ADVENTURES

Each week of Odyssey Campz includes both Aquatic and Land-Based Adventures. This means that students will be able to choose whether we go to the beach, go paddle boarding, snorkeling, kayaking, tide-pooling, or even visit places like Sea World, The Stephen Birch Aquarium, or the Dana Point Ocean Institute, as well as visit Solid Rock Gym for a day of rock climbing, or Get Air, zip lining, orienteering, wildlife tracking, skateboarding, or even a trip to a favorite theme park!

ODYSSEY CAMPZ ADVENTURES ARE UNIQUE & FUN!

While we're adventuring in and around San Diego County, or maybe beyond, we'll also be infusing leadership, team building, and confidence boosting skills that campers will take with them for the rest of their lives. We'll also be targeting learning and S.T.E.A.M.* components, honing outdoor and survival skills, and keeping bodies and brains engaged all summer long! There is not another camp out there that is willing or able to go above and beyond to give campers the summer of their dreams...so, make this summer an Odyssey Campz summer!
