

## WEEKLY SCHEDULE / SUMMER 2024

See [ecdscampz.org](http://ecdscampz.org) for registration & early enrollment discount information

### VARIETY CAMPZ

#### KINDERGARTEN & 1ST GRADES

Summer fun for children entering Kindergarten or first grade in fall 2024 (Must be 5 years old prior to the start of a week of Variety Campz in which they are participating). Campers enjoy a wide array of academic, artistic, and outdoor enrichment activities every day of the week, including on-site water slides and water play every afternoon. Each week includes an "on-site field trip" that accentuates the weekly theme.

**Weekly rate: \$335**

(\$320 when pre-paid by May 31st)

**5-Week Bundle Rate/Includes Unlimited Before & After Care: \$2,400**

(\$2,250 when pre-paid by May 31st)

Crystal Ojeda  
Director

*Every week of Variety Campz includes an over-the-top, "on-site field trip."*

#### "THE OCEAN IS ALIVE – PART 1"

● **Week 1:** July 8 to July 12

*The ocean is the earth's largest biome, filled with fathomless opportunities to explore its beauty, power, and creatures. Each day of Week 1, campers will be immersed in sea-related activities and projects during their trips to the Variety Campz Theme & Art Room, Learning Center, and Outdoor Adventure Zone where they will be inspired by stories, and engaged in play and creative expression.*

#### "DINOSAURS & REPTILES COME ALIVE!"

● **Week 2:** July 15 to July 19

*Dinosaurs and reptiles become the springboard for art, learning and play-based adventures during Week 2 of Variety Campz. Every day, campers will dig deep into the fossil record in search of clues about how dinosaurs looked and lived. In addition, they will scale mountains of fun-facts about modern reptiles, and even meet some in person, learning about the unique role they play in nature as well as their body parts from tongue to tail.*

#### "THE OCEAN IS ALIVE! – PART 2!"

● **Week 3:** July 22 to July 26

*A reprise of Week 1, along with a few surprises!*

#### "SCIENCE IS FASCINATING & FUN!"

● **Week 4:** July 29 to August 2

*Looking at nature through the eyes of a scientist, opens a world of opportunities for wonder and discovery. Variety Campers become Nature Spies during Week 4, learning about things great and small as they explore the natural world through observation and experimentation. Special guest scientists and daily on-site experiments ensure that this week will be filled with an element of excitement!*

#### "THE ALOHA SPIRIT LIVES !"

● **Week 5:** August 5 to August 9

*Variety Campers will travel to a tropical paradise in their art, learning, and play-based adventures during our 5th and final week of camp. Campers will be literally and figuratively swimming with luaus and leis, tropical foods, colorful plants, and beautiful land and sea-based creatures during this fun-filled week.*
